

POLICE **K-9** HANDLER

INSTRUCTOR TRAINING - SUBJECT CONTROL & DEFENSIVE TACTICS

This ISR Matrix Police K-9 Handler Instructor 2-Day / 16 Hour Course is designed to provide alternative, optional and selective means of subject control and arrest tactics for a Police K-9 Handler. The aim is to be able to functionally engage with the subject and assist their K-9 in direct apprehension of the subject if it becomes necessary.

Participants will learn, train and demonstrate safe, morally and legally defensible defensive tactics to further stabilize, control and apprehend an actively resisting subject engaged with their K-9.

All tactics shown and trained will offer participants the options to engage or disengage as needed and ability to readily escalate or de-escalate along the use of force spectrum as necessary.
